Wonderful news! NMFA is very excited to be partnering with MISA and the ARC to provide this great curriculum to our military families.

Katy my board yesterday agreed to buy 100 licenses of the program. I have attached Nicole Russell to this email from National Military Families Association. She will be the contact to start and set the program up. It will be for active duty military families. If you could invoice me for the cost that would be great.

Thanks again for your help and look forward to our partnership.

Kyle
